Mr. Joseph G. Gallagher
Scout Executive
North Bay Council, No. 236

PERSONAL & CONFIDENTIAL

SUBJECT: Robert E. Breen

Dear Joseph:

We have had communication with your council over a long period of time concerning the above-named individual. We received a newspaper clipping indicating that he had been arraigned on charges that he raped three boys.

We must have the outcome of this legal action if we are to have a complete file and be able to refuse registration in some other council. This is most important if we are to protect the youth of America and stop any legal action from taking place against us.

Please let me know the outcome of the legal action that took place so that we may put this in our file and close this case.

Thank you for your help.

Sincerely,

Dear Joseph:

Over the past couple of years, we have had communication with your council concerning the above-named individual. We had received a newspaper clipping indicating that the individual had been arraigned on charges that he raped three boys.

We have never had the outcome of this situation and would like to know whether a trial was held and whether he was convicted. This is most important in the strengthening of our file for future registration refusal.

Please let me hear from you concerning this so that we have a file which is complete and can substantiate our refusal anywhere in the country that a registration attempt might take place.

Let me know if we may be of help to you.
